

CIVIL ENGINEERING BURSARY

OPPORTUNITY
FOR 2025!

WHO ARE WE?

Knight Piésold is an employee-owned, global consulting firm providing specialist services to the mining, power, water resources, and infrastructure industries. We are engineers, environmental scientists, geoscientists, and technologists, focusing on what we do best, to create value for our clients at every stage of a project.

We are actively supporting students in STEM careers and it is our way of growing the civil engineering profession within South Africa.

WHO CAN APPLY?

We are offering bursaries to South African citizens who are:

- Top matriculants set to graduate in 2024, who are interested in pursuing a degree in Civil Engineering. Applications can be submitted provisionally using your Grade 11 results and Grade 12 mid-term results.
- Additionally, if you are studying at a South African university towards a BSc or BEng in Civil Engineering. Applicants must be in their 2nd or 3rd year of their Civil Engineering studies.

WHAT WE OFFER?

This bursary support will cover:

- **Tuition and registration fees**
- **Accommodation**
- **Prescribed books**
- **Monthly allowances**
- **Stationery allowance**

Bursars will be offered
vacational work at a Knight
Piésold office during semester
breaks.

We hope that this bursary
opportunity will benefit top
academic performers who
require financial support.

HOW TO APPLY?

Send your CV, transcripts, matric certificate, ID, and a motivation letter to bursaries@knightpiesold.com

Deadline: 15 September 2024

After graduation, bursars are guaranteed employment at Knight Piésold. Start your career with a leading global consulting firm and grow within the civil engineering field.

Apply now and build your future with us!

We will only correspond with shortlisted students.
